Make it fun! Wrap the box, color it, or write a hopeful holiday note for the family that will receive the box.

Teaches the practices of generosity and community care.

Can't find an ingredient or can only participate for a week? That's fine. We're flexible.

Spend 26 days feeding neighbors and making memories of generosity. Can you only participate for a week or two? That's okay! Everything helps.

Extended Hands Pantry is an immigrant/refugee focused pantry right in Madison that makes sure no one goes hungry and no one is turned away.

Classrooms, churches, scout and youth groups, and individual families are invited to participate.
